### THE EVILS OF PAINTING

And their Remedy.

"It has been said with much truth,

too, that house painting might, with

study and acquirement of taste, resume

its rank as a liberal art."—Painters' Manual.

Believing the above to be true, A. B.

KERR has now re-organized his system

of working the business in Honolulu.

In the first place he has secured the

services of that celebrated artist, Mr. MAX

KOHN, formerly of San Francisco, whose

work in the line of plain and decorative

paper-hanging, frescoing, &c., is up to

the present time unsurpassed, and on

these islands has never been equalled.

For house painting jobs first-class

mechanics only will be employed. In

future every order on the most scientific

basis known to the trade.

The Sign Painter

will be permanently presided over by Mr. GEO. STRATMEYER, (further comment unnecessary.) P.S.—Send for designs of frescos for ceiling and cornices. Something new; and if you want any glass put in call at

Tiger Paint Store, 78 King Street.
